

Manitoba Craft Council

It's for people who love contemporary craft

artists and artisans, consumers and connoisseurs.

It's for people who value the originality and quality

of the handmade and for those who find meaning in making.

It's for everyone who seeks to reinterpret the material

and cultural traditions of the past through a contemporary lens.

It's for those of us who have to

forge, carve, weave, print, glue, sculpt, knit. And for their friends and supporters.

Join a community that is motivated and defined by its love of craft.
