

MANITOBA CRAFTS MUSEUM AND LIBRARY

SUMMER CRAFT CHALLENGE

We are challenging you to work on craft projects this summer.

The challenge ends on September 7, 2026.

We will randomly select one winner who will receive a one-year membership to MCML!

Something you learned online

It's your own design

Using a technique that is new to you

Something inspired by history

Using a book from the MCML Library

Something that represents your culture

Made while on vacation

Something you learned from a family member

Something you plan to sell

All one colour

You worked on it by the water

Made with fibre

Something you learned in a book

It's going to be a gift

Something you can wear

It's going to be used during a holiday

Made with something reused or recycled

You made it with kids

You worked on it outside or in the porch

You used a pattern or a template

Made without fibre

Worked on in the car or on the plane

You sourced materials from your garden

It reminds you of your childhood
